STATEMENT OF PROBABLE CAUSE

(for issuance of an arrest warrant or summons)

I state that on 25 Sept. 2016 while exercising my duties as a Forest Protection Officer in the Skykomish District of MBS,

that at 1315 on September 25, 2016 while on patrol at Lake Dorothy I observed and inspected an unattended and still warm campfire, with no fire ring, near mid lake. I verified that the campfire was out and waited for the return of the campers. Upon the return of the campers I instructed them on the procedure to put out a campfire and restore the scar/ring, then verified that the campfire was cold out and the site restored. A valid special order prohibiting campfires within 1/2 mile of Lake Dorothy was in effect and the closure was clearly posted. Pursuant to the special order a citation for CFR 261.52a was issued to Scott Davis, one of the campers.

The foregoing statement is based upon:

- ☒ my personal observation ☐ my personal investigation
☐ information supplied to me from my fellow officer's observation
☐ other (explain above)

I declare under penalty of perjury that the information which I have set forth above and on the face of this violation notice is true and correct to the best of my knowledge.
